Regaldive are able to offer a number of excursions and trips which you can book whilst in resort. Below, we have provided brief details of the most popular excursions you can book from Luxor.

Name: Luxor **Duration:** Full day **Price:** £58 adult & £33 children

Experience the very best of Luxor, including both the East & West Bank. Your day will start with a visit to the Valley of the Kings, where you will be enthralled with the tombs of the Pharaohs. The tombs include those of Ramses the Great and Tutankhamen, which was untouched for over 3,000 years, until it was rediscovered by the British Egyptologist, Howard Carter, in 1922.

Your day also gives you the chance to visit the Valley of the Queens and the Temple of Queen Hatshepsut. This is an amazing site, as the temple is partly built in the rock face of Deir el Bahri. Your trip continues with a quick stop at The Colossi of Memnon before lunch, which will be served at a local restaurant on the East Bank.

Next, you will visit the impressive Karnak Temple, the largest temple complex in the world and the Temple of Luxor, located in the centre of town. Constructed by Ramses II, the Temple of Luxor, with its magnificent colonnaded courts, is a spectacular sight to behold.

Name: Aswan & Abu Simbel **Duration:** Full Day **Price:** £84 adult & £54 children

You will get to visit probably the second most famous site after the pyramids. Aswan is the gateway to the astonishing temples of Abu Simbel. It lies 290km to the south, near the Sudanese border. Upon arrival, you will witness the amazing rock-cut temples of Abu Simbel that were built by the great pharaoh, Ramses II for himself and his beloved wife Nefertiti. The great temple of Abu Simbel presents the most familiar image of ancient Egypt.

As one of the few ancient Egyptian sites which largely escaped damage by past invaders, the interiors of Abu Simbel's temples are astounding. The scale of the buildings and their detailed decoration leaves most visitors in awe. The temples' attraction is further enhanced by their scenic location on the edge of Lake Nasser, in the orange sands, of the desert.
